

Leadership Consultant and Facilitator

Ms. Nimmons is President and co-founder of Stone Lake Leadership Group LLC. She is an expert in leadership development, facilitating programs for thousands of leaders in financial services, law, IT, academia, science, medicine, entertainment, and engineering. Ms. Nimmons stays current on realities and demands of 21st century leadership and shares this knowledge through executive coaching and developing high-potentials and mid-careers in the private, public and non-profit sectors. She brings rigorous “real world” leadership offerings to committed leaders in top global organizations, start-ups and to large federal agencies.

Ms. Nimmons believes in talent acceleration strategies that include self-awareness, leadership agility and leveraging potential – not just scaling current skills.

Her current suite of offerings includes 21st Century Leadership, Executive Presence, Transformational Leadership, Personal Brand, D&I Leadership, Strategic Thinking, Leading Across Generations – and more. She is a frequent keynote speaker and webinar host!

For leaders at all levels, Terri recommends a shot of B3:

Be informed

Be intentional

Be inspired!
